POLA MUSEUM ANNEX (Ginza, Chuo-ku, Tokyo) held its third charity auction titled, "Spring is around the corner," from Wednesday, November 2 to Sunday, December 4, 2022. We are pleased to report that we donated 20,792,385 yen, the total amount of the proceeds from this project, to UNICEF.

For this project, we commissioned 20 artists to create "spring" themed artwork and organized a silent auction* with the aim of supporting people suffering from the ravages of this war in Ukraine, especially the children who have a future. The artwork was also sold by lottery and an official catalog was available for purchase. All proceeds — 20,792,385 yen — were donated to UNICEF for Ukraine's children at the end of January 2023.

We received 1,002 applications from all over Japan and the world, far more than the previous year. We would like to express our gratitude to all of our customers, artists, and everyone for their support of this project.

Sadly, one year has passed since the invasion began. We sincerely hope that the situation will end as soon as possible and that Ukrainian people will be able to live in peace.

* In a silent auction, bids are placed without the involvement of an auctioneer, and the person who places the highest bid for an item wins it
